Om Namah Shivay meaning:

Let us understand the meaning of the chant word by word:

Om: Before the Universe, there was void of vibrations and pure existence. Out of the vibration came the sound of 'Om' and then the Universe was formed.

Namah: It means to bow

Shivay: It means Shiva or inner self.

In general ॐ नमः शिवाय means "I Bow down to Shiva". In a way, it means bowing down to your own self as Shiva resides in all as divine consciousness.
